1. With the church behind you cross the road and go slightly uphill to the letter box on the right-hand side of the road and turn right here on to a footpath. Cross a field. Bear left through a gate and cross another small field to a small gate. Bear left. Follow path signs *over a stile to your right but take care as there is some rusty wire. Head NW following a track and across another field to the top left corner. Cross the track ahead and through game crop to the top of Flassen Dale.

2. Go down the stony track with care. At the bottom your path is to the left across the shooting track through the valley. Look for the signpost and the path *ascends steeply behind it to the left. After rain this can be slippery. An alternative route can be seen on the map- turn left for 100 metres and then sharp right uphill to join the wider path indicated below.

3. Follow this path to join a wider path to the top of the valley side. Bear left and head N on a path with a crop field on your left. This path eventually leads through a metal gate to Cold Kirby. The Village Hall is on your left and St Michael's Church is on the right.
